FUEL TANK MANAGEMENT SYSTEM

The Embassy of the United States of America in Quito, Ecuador needs to replace the obsolete and inoperative Automatic Fuel Tank (AFT) monitoring the Underground Storage Tanks (UST) with a system utilizing state-of-the-art technology. The requirements of this project are to be in accordance with both Ecuador and US standard industry practices.

If you are interested in submitting a proposal on this project, please contact Cecilia Rosero, RoseroC@state.gov, in order to send you the complete solicitation package.

Pursuant to FAR 4.1102, bidders are required to be registered in SAM (System for Award Management) at the time a quotation is submitted.

To register to SAM, please follow the instructions detailed in the following link: https://sam.gov/content/entity-registration

Direct any questions regarding this solicitation, by e-mail, to José Balseca, Procurement Supervisor, BalsecaJJ@state.gov; and, Cecilia Rosero, roseroc@state.gov, before 4:00 p.m., local time, on Thursday, April 14, 2022.

Your proposal must be submitted, by e-mail, to the Contracting Officer, Ernesto Escoto; EscotoEE@state.gov; Procurement Supervisor, José Balseca, Balsecadj@state.gov; and Cecilia Rosero, roseroc@state.gov, before 4:00 p.m., on Friday, May 13, 2022. No proposal will be accepted after this time.
